ACHIEVING BELIEVING CARING

St Lawrence C of E (Aided) Junior School

St Lawrence is a Church of England co-educational junior school for pupils aged seven to 11.

We provide children with a high quality education, and encourage a love of learning that will remain with them throughout their lives. All our pupils are encouraged to reach their maximum potential within a safe, friendly and caring environment.

ACHIEVING BELIEVING CARING

'Pupils leave the school as articulate young people who enjoy learning and are well prepared for the next stage in their education'

– Ofsted, 2013

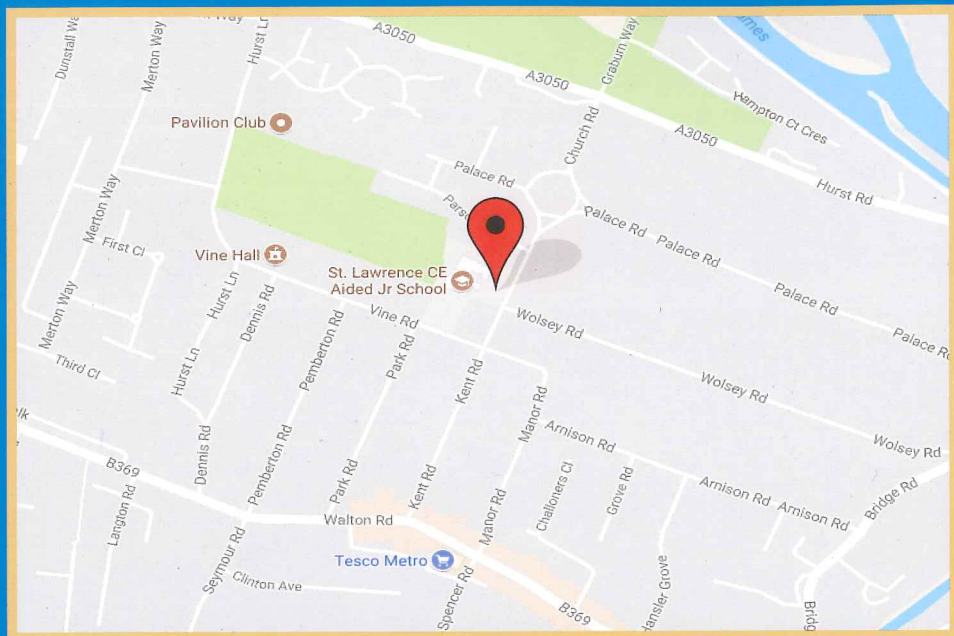

Our 2017 Key Stage 2 SATs results beat Surrey and national age-related expectations in reading, writing, maths and SPaG (spelling, punctuation and grammar).

'St Lawrence is a glowing example of a Church school which, in keeping with its history, is providing education of the highest quality within a supportive community'

– Canon Dr Stephen Green
Director of Education, Diocese of Guildford

An exciting new chapter has begun at St Lawrence with the completion of the new school – a modern, two-storey building with expanded playing fields. The new school provides a state-of-the-art educational facility that will benefit pupils, and the wider Molesey community, for generations to come.
