

St Lawrence C of E (Aided) Junior School

28th November 2017

Dear Parents/Carers,

Thank you to all those who responded to our Parent Questionnaire which was given out at the Parents' Evenings held a few weeks ago. The closing date has now come and gone and I have been able to assemble the results which I would like to share with you. The full results are now available on the school website.

The really pleasing news is that from all the replies, 57% of you **strongly agree** in every area. That is a great improvement from last year. Children feeling happy and safe here at school were 99% and 100% respectively which, of course, is one of the main reasons we are here. 93% feel that their child makes good progress at school with 98% being well looked after. Children being taught well received 96% and there were the usual differences with homework. Parents either love it or hate it but 87% think it is age appropriate. 95% believe that pupils are well behaved and we would have to agree with this.

With the bullying question there can be some confusion. I know that people who have not had any issues with bullying record a 'don't know' answer but some put down that the school is strong on ensuring there is minimal bullying. But together they score 99% which we believe is an accurate reflection of what we see here. 94% believe that the school is well led and managed. Responding to concerns also had a big 'don't know' factor from parents who have not had the need to contact the school. Combined together with both strongly agree and agree this was 97%. 97% of parents believe that they receive valuable information about their child's progress and 90% would recommend this school to another parent.

We are very pleased with these results as they are very similar to the last few years showing that we are continuing to offer your children a great education, now in a state-of-the-art building which is very safe and because of this the children are very happy.

Thank you for your continued support.

Yours sincerely,

Mr D Tucker
