Encouraging Creativity & Imagination

After School Futsal Club

Dear Parent/Carer

I am pleased to announce that the after school Futsal club will continue into the New Year.

What is Futsal?

Futsal is played with a half size ball; heavier than standard on a small court. Having a smaller playing area forces all players to fully participate to be involved, which in turn, fast-tracks the attainment of technique.

The sport places an emphasis on greater concentration, responsiveness, improvement of skilful dribbling, accurate passing and ball control. Moreover, Futsal generates an environment that demands players to think and act quickly whilst developing the all-important decision making techniques.

The best have benefited; Ronaldo, Messi, Neymar & Suarez, to name a few. You too can see the amazing work Futsal Elite provide as it celebrates "Creativity and Imagination".

Places on each session are for boys and girls but are limited to now 15 children (boys and girls)

The club will take place every Monday from 3.15 to 4.15. The first session will be on the 13th January and the final session will be March 30th.
