St Lawrence C of E (Aided) Junior School

ACHIEVING BELIEVING CARING

7th September 2018

Dear Parents/Carers,

Welcome back to a new school year! Welcome to our new parents/carers and also those who know the school well. I hope you had an enjoyable hot summer! The children look very smart and ready to start learning. Year 3 have settled well and are already getting to know where to go and what to do.

I was looking over the letter I sent out this time last year when we had just moved onto this lovely new building and thinking how much easier it has been this week. We have been able to start on time, with all security risks avoided, car park fully completed, MUGA court useable, procedures and practices firmly in place which all allows us to concentrate on the main job of teaching the children. With regard to the building work, we still have a few 'snags' but generally we have finished and we just have some landscaping at the back to complete.

Attached to this letter is our Yearly Planner. This gives a whole year overview of **some** of the things that will be happening this year. They won't all be relevant to you and many have the Year Group marked clearly to indicate who the activity refers to. You will always receive information about the activity before the date to remind you that it is happening.

Some of these dates may change due to unforeseeable circumstances and there will be more dates added but whatever the change we will endeavour to give you as much warning as possible.

We also put lots of information regarding things that go on in school on the website www.stlawrence-junior.surrey.sch.uk and please also join us on Twitter @StLawrenceEM. Additional information will also be placed onto the Virtual Learning Environment (VLE) and you will receive information about this from your class teachers in due course.

With best wishes

Mr Damian Tucker

Headteacher
