

# St Lawrence C of E (Aided) Junior School

16<sup>th</sup> July, 2018

Dear Parents/Carers,

I am pleased to announce our SATs results for 2018. These are subject to validation and do not contain all this year's information yet. More will come in September and will be placed on the school's website. This is the third year for the new SATs tests and Year 6 have worked extremely hard over this year. Our outcomes are an improvement on last year's results and also on the first year's data when the new SATs came into being.

The Year 6 teachers (Miss East, Mr Davis, Miss Carter, Mrs Griffin and Mrs Cary) should be praised for their hard work in continuing to implement the new systems in order to give the children the best chances possible to achieve their potential. We should also acknowledge other staff who have played their part in the education of our children.

As you can see, we are well above the national expectations in every area. Surrey have not released their figures yet but when they do we will add this information to the school website. The scaled score is where each child is assessed and a score between 85 and 120 given. If the child is above 100 they are judged AS (achieving expected standard) or if below 100, NS (not achieving expected standard). Children receive Greater Depth if their scaled score is above 110. As you can see the average of our children overall is above 100 (and closer/equal to 110) and also above the national average. More detailed information will be available to us from the DfE in the Autumn term where we will also receive our progress scores.

Well done to the Year 6 children and thank you to their parents for being so supportive during this ever challenging year.

Yours sincerely,

Mr D Tucker  
Head teacher
